MEMORANDUM

TO: Montgomery College Community

FROM: Dr. DeRionne P. Pollard, President

SUBJECT: Faculty Outstanding Service Award Recipients 2010-2011

It is with great pleasure and pride that I announce the recipients of the Faculty Outstanding Service Awards for 2010-2011.

The recognition of outstanding faculty is an important part of our academic year celebrations. As was the case in previous years, the accomplishments and service of the faculty nominated made the selection process a very challenging one. A committee of faculty and administrators, representing each campus and central administration, reviewed the nominees and made recommendations which were then reviewed by the Interim Senior Vice President for Academic and Student Services. All nominees are truly deserving of recognition and I thank each of them for their well-documented accomplishments in and outside of the classroom, to our students, to their colleagues, and to the community at large.

Please know that I am grateful to this year's committee for its excellent work and recommendations and am happy to approve them. Accordingly, the faculty listed below are selected for this award based on their outstanding performance in the classroom and their sustained contributions to their departments, their campuses, to our students, and to the College.

The Faculty Outstanding Service Awards for 2010 - 2011 are presented to:
