**Life Sciences Leadership**

**Business and Information Technology—Training solutions for business and industry**

**Clinical Trial Project Management**

Increase your skills needed to lead domestic and global clinical trials for optimal performance. This 39-hour course will cover drug development and the regulatory process, clinical trial application and protocol, Project Management, Good Clinical Practices (GCP), Human Subject Protection (HSP) and informed consent, clinical trials monitoring, adverse event management, statistical design, and data management. Work as a team and apply techniques learned in the class for developing respective project plans that will be presented on the last week of class. You will be engaged by our subject matter experts who will be presenting the course in a dynamic and interactive manner. Tuition waiver applies; seniors pay fee only.

**Course:** MGT392 39 Hours

$405 + $440 fee = $845; Non-Md Residents add $400

**Germantown Campus**

CRN#: 25692 13 Sessions
