Department Policies:

Important Student Information Link
In addition to course requirements and objectives that are in this syllabus, Montgomery College has information on its web site (see link below) to assist you in having a successful experience both inside and outside of the classroom. It is important that you read and understand this information. The link below provides information and other resources to areas that pertain to the following: student behavior (student code of conduct), student e-mail, the tobacco free policy, withdraw and refund dates, disability support services, veteran services, how to access information on delayed openings and closings, how to register for the Montgomery College alert System, and finally, how closings and delays can impact your classes. If you have any questions please bring them to your professor. As rules and regulations change they will be updated and you will be able to access them through the link. If any student would like a written copy of these policies and procedures, the professor would be happy to provide them. By registering for this class and staying in this class, you are indicating that you acknowledge and accept these policies.

Academic Honesty: Montgomery College’s policies on academic dishonesty are found in the Student Handbook and under Section VIII of the Student Code of Conduct available at the following link: http://cms.montgomerycollege.edu/pnp/#Chapter_4. Each student is expected to do his or her own work. Any student found cheating or plagiarizing will be given an F for the assignment. If the same student is involved in a second incident of cheating, the case may be referred to the Student Discipline Committee, a grade of F for the course may be awarded, and/or the student may be dropped from the course.

Absence and Tardiness Policy: Attendance is fundamental in a language class, and excessive absence/tardiness will affect the participation grade. Any student arriving after class has begun is tardy. You are responsible for all work assigned whether you are present or absent. Excessive absences will negatively impact the participation grade.

Classroom Behavior: Please review the Standards of College Behavior in the Student Handbook or Section VII of the Student Code of Conduct available at the following link: http://cms.montgomerycollege.edu/pnp/#Chapter_4. The college seeks to provide an environment where discussion and expression of all views relevant to the subject matter of the class are recognized and necessary to the educational process. However, students do not have the right to obstruct the faculty member’s ability to teach nor the ability of other students to learn. The instructor has the right to determine appropriate conduct in the classroom, and it is expected that students will conduct themselves at all times in a manner that is respectful of their instructor and their peers.

Inappropriate behaviors include (but are not limited to) the following:

1. Socializing with other students once class has begun.
2. Refusing to complete assigned tasks in the class or labs.
3. Sleeping in class, arguing with the professor or other students, showing disrespect towards the professor or other students, or disrupting the class in any way.
4. Using cell phones or texting during class.

Students who do not adhere to these policies will be asked to leave by the professor; if they do not comply, Security will be called. If a student repeatedly refuses to comply with classroom regulations, s/he will be referred to the Dean of Student Development.

**Writing, Reading, and Language Center (WRLC):** Each campus has a WRLC, which provides resources and support for language students. The centers provide tutoring, workshops, study group spaces and access to technology. All assigned homework can be completed in the WRLC if you need computer access or support. Locations are as follows: Germantown Campus ➔ HS150; Rockville Campus ➔ MT020; Takoma Park/Silver Spring Campus ➔ RC105.

**Tutoring:** French tutoring is available free of charge on all three campuses. For an updated tutoring schedule, please contact your instructor.

**FERPA:** The *Family Education Rights and Privacy Act* prohibits the instructor from discussing a student’s grade and performance in the course with anyone but that student. All exceptions/allowances must be submitted in writing by the student.

**FREN 101 satisfies a General Education Humanities Distribution requirement (HUMD), a General Education Institutional requirement (GEIR), or a General Education Electives requirement (GEEL).** Montgomery College’s General Education Program is designed to ensure that students have the skills, knowledge and attitudes to carry them successfully through their work and their personal lives. This course provides multiple opportunities to develop competency in oral and written communication and critical analysis and reasoning and also fulfills the *Global and Cultural Perspectives* course requirement. For more information on the General Education Program, go to www.montgomerycollege.edu/gened.

**Basic Needs Security:** Any student who has difficulty accessing sufficient food to eat every day, or who lacks a safe and stable place to live, is urged to contact the Dean of Students Affairs on your campus. Furthermore, please notify the professor if you are comfortable in doing so. This will enable the professor to provide any resources that they may possess. We know this can affect performance in the course and Montgomery College is committed to your success. The Deans of Student Affairs are: Dr. Jamin Bartolomeo (GT), Dr. Tonya R. Mason (RV), and Dr. Clemmie Solomon (TP/SS). Please refer to the following website: http://cms.montgomerycollege.edu/edu/secondary5.aspx?urlid=55
