

ACCOUNTING CERTIFICATE: 167

Total Credits: 24

Catalog Edition: 2022-2023

Program Description

The accounting certificate curriculum is designed to serve those students who desire to upgrade their professional competence. Course work in the accounting certificate curriculum is primarily intended to satisfy the Maryland Board of Public Accountancy's accounting education requirements for CPA licensure. Course work in the accounting certificate will also satisfy the Office of Personnel Management's education requirements for accounting employment with the U.S. Federal government.

Program Outcomes

Upon completion of this program a student will be able to:

- Identify, measure, record, and communicate financial information relating to an organization.
- Interpret, analyze, and evaluate financial information relating to an organization.
- Meet the qualifications for Federal government accounting programs and upgrade professional competence.
