

## DIGITAL ANIMATION AAS: 358

Total Credits: 60

Catalog Edition: 2022-2023

### Program Description

This program is designed to provide students with the skills necessary for junior or entry-level employment in the animation industry. Some students choose to continue their studies and have successfully transferred to four-year institutions with resulting portfolio. Animation is widely used in broadcast media, gaming and simulation, motion graphics, web design, forensics, and medical technologies. As the animation industry grows so does the need for qualified professionals. Students in this program will explore animation concepts and gain hands-on experience using industry standard hardware and software and motion capture systems.

## Total Credit Hours: 60

\* ENGL 101/ENGL 101A, if needed for ENGL 102/ENGL 103 or program elective.

\*\* AAS programs require one 3-credit Arts or Humanities General Education course.

‡ Program electives: Although this degree is designed to be completed in 60 credits, there are some scenarios that could result in more than 60 credits being earned. For example, if a student wishes to take two four-credit electives, they would have a total of 62 credits; if they choose one four credit and one 3 credit elective they would have 61. If the student selects two 3-credit classes-or-one 4-credit and one 2-credit then they would earn a total of exactly 60 credits. Please see an advisor in the Graphic Design program. Choose from the following with a minimum total of 6 credits for the two selections:

2-credit elective options: CMSC 100, GDES 269, or GDES 285.

3-credit elective options: ARTT 103, ARTT 105, ARTT 206, GDES 121, GDES 135, or PHOT 161.

4-credit elective options: GDES 214, TECH 190, TECH 225, or TECH 290.

Students whose focus is on Gaming should select from the CMSC/TECH courses listed above.
