Monday - Friday | 9 AM - 5 PM

MC FACULTY & STAFF:

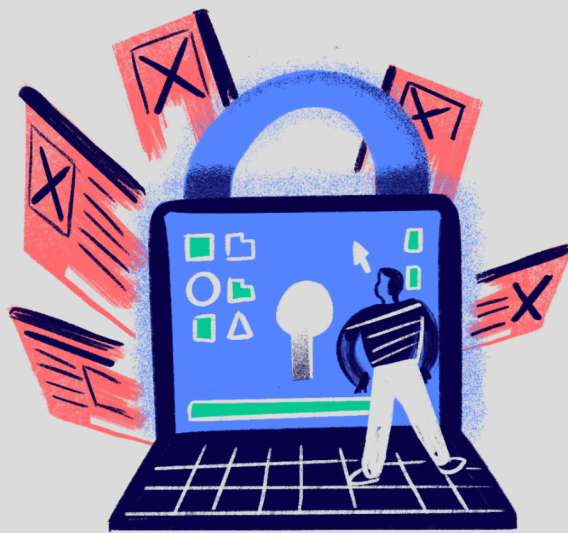

Empower your students with the Digital Learning Center (DLC)

Encourage your students to maximize their potential by utilizing the DLC. **Email us** to schedule an appointment to introduce these valuable resources and help your students thrive. Together, we can enhance their educational journey and ensure they have the skills and support needed to excel.

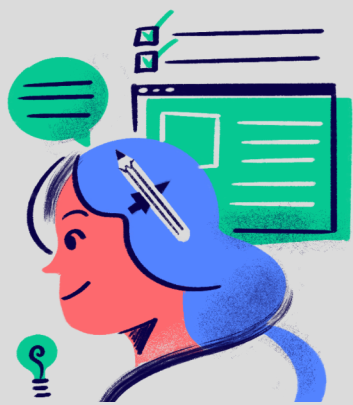

Digital Tools

Enhance your digital literacy with tools to navigate online learning environments, equipping yourself with essential skills and knowledge for success during your college experience and beyond.

Workshops

- Engage in virtual workshops with Digital Learning Center Specialists to boost your technological skills and knowledge.
- Interactive sessions offer hands-on experience with the latest tools and platforms to support you throughout your academic journey.
- Receive a Certificate of Completion to recognize your achievement, enhance your resume, and validate your skills.

Academic Course Support

Be empowered in the the DLC to effectively use technology for coursework which includes, navigating online resources, utilizing digital tools for research, collaborating with fellow peers, and providing a firm foundation for student success with technology.

Laptop Lending

Proving students with equitable access to technology to achieve their full potential, academic success, and career readiness.

Quiet Study Space

Enjoy an ideal learning environment for focused and productive work. Concentrate without distractions to achieve your academic goals and excel in your studies.

In-person/ Virtual Assistance

Through online consultations, 1-to-1 appointments, and virtual workshops, students can receive personalized help with their coursework, access digital resources, and get expert guidance during their academic experience.
