The national search for the Instructional Dean, BEACAHMPS, has been extended. I am pleased to announce that Dr. John Coliton, Interim Dean, BEACAHMPS, has agreed to remain in his current role for the spring semester, 2022. He has done an excellent job in this role for the past six months, and I know you will provide him with your continued support.

I would also like to express my thanks to the members of the search advisory committee for their hard work and commitment to the search process and the College.

I will continue to keep the Montgomery College community updated as we move forward.
