ENROLLMENT PROJECTIONS HIGHLIGHTS

- FY 2017 Credit hours are budgeted at 492,538.
 - > This is an increase of 1.1% from the original budgeted FY 2016 credit hours of 487,304.
 - This is a decrease of 2.8% from the FY 2015 actual hours of 506,548.

Factors Related to Anticipated FY 2017 Enrollment Change:

- MCPS is projecting a decrease in the number of 12th grade students through FY2017, then an increasing number
 of 12th graders through FY2021.
- We anticipate our "draw rate" of county high school students to remain about the same, 25%.
- 2 year college enrollments tend to increase during a recession as people need retraining in new fields. As the
 economy improves, enrollment tends to drop off as employment rates increase. Montgomery College is most likely
 experiencing this effect.
- Financial aid eligibility has tightened.
- Tuition rates at MC have increased over the last 5 years, and are anticipated to rise.

^{**} Includes subscription and non-subscription enrollments.

⁺ Beginning in fiscal 1987, the State pays community colleges each fiscal year for the number of State FTES generated two years previously.

^{*} FTE is a figure which represents the number of full-time equivalent students (total semester hours divided by 30). The figures in this chart represent all the students receiving instruction in the credit programs of the College (not including Continuing Education noncredit offerings). Actual State Aid, however, is computed on the basis of an FTE figure representing State residents only.

The "Consolidated Fee" is a fee assessed of all students, as a percent of tuition paid (20% of tuition) or a minimum of \$50. The fee is intended partially to offset separate fee charges formerly associated with registration, records, use of various in-class instructional and laboratory supplies and instructionally related items (such as library, learning resources, and counseling and advising materials and services), student activities and athletics, intramurals, support of alumni, and use of some instructional equipment and expendable supply items. For Fall Semester and Spring Semester on-campus credit hours only, an amount of approximately 10% will be deposited from the "Consolidated Fee" to the credit and support of the campus student activity, athletic, and intramural program.
