

**SMALL GROUP DISCUSSION WORKSHEET**

Submit your group responses at this survey link:

<https://www.surveymonkey.com/r/YYS3SRM>

1. What was the most interesting or surprising piece of data related to retention that you learned today?

---

---

2. The College aspires to be welcoming, equitable, inclusive, and develop culturally competent practices. What are some of the equity related issues you see in the data?

---

---

3. Continued with your observation in question #2.

- a. How can the College improve the retention rates of specific groups of students?

---

---

- b. What can you do to improve the retention rates of these students?

---

---
