

General Studies Welcome Card For New Students

WELCOME

TO THE GENERAL STUDIES DEGREE PROGRAM.

We are excited to work with you. This program has been designed specifically to help you meet your academic, transfer, career, and personal goals. Here are the next steps:

- Log into MyMC from the College's homepage and make an appointment with a counselor on Starfish to discuss your course selections for upcoming semesters.
- Create an academic plan with a counselor for your studies at MC.
- Visit montgomerycollege.edu/generalstudies for more detailed information about the program and upcoming events.
- Learn more about your major, career opportunities, and transfer options by meeting with a faculty advisor.
- Check your MC email for important updates and communications.
