

**College Area Review Academic Program Review Pending Recommendations 2015**

Unit Name	Year and Number	Recommendation	Comment Date	Comment	Comment Status	Deans
CAR (AAR) - Political Science (POLI)	2013-1	Re-develop an advising web page for Political Science and improve discipline advising processes across campuses.	09/30/2014	The department should finish a course check sheet by the end of Spring 2015 that will allow students to gauge accurately their progress toward degree requirements; It should regularly update the Political Science website so there is one central place with accurate advising & advising contact information; The college should explore the possibility of ESH if students are assigned specific Political Science faculty advisors.	In Progress	Fechter
CAR (AAR) - Political Science (POLI)	2013-3	Expand college support for discipline-related extra-curricular activities, such as Model UN.	10/16/2014	Involvement in Model UN activities has now expanded beyond Rockville. This semester, students are still paying out-of-pocket for registration, to have a source of guaranteed funding for their fees. We recommend that funding be guaranteed for this program.	In Progress	Fechter
CAR (AAR) - Political Science (POLI)	2013-5	Coordinate scheduling of classes across campuses.	10/16/2014	The restructuring of the academic areas has enabled greater cross-campus scheduling. Full implementation of collegewide course scheduling is expected by Fall 2015.	In Progress	Fechter
