

**GENERAL EDUCATION COMPETENCY ASSESSMENT**  
**Feedback on Assessment Reflections from**  
**Collegewide Assessment Team**  
**EXAMPLE**

<b>Date</b>	Fall 2016
<b>Course</b>	ENGL264

**Reviewed data from results**

Thoroughly discussed <input type="checkbox"/>	Partially discussed <input checked="" type="checkbox"/>	Did not discuss <input type="checkbox"/>
<b>Comments:</b> Results from data were reviewed.		

**Discussed strengths and weaknesses**

Thoroughly discussed <input checked="" type="checkbox"/>	Partially discussed <input type="checkbox"/>	Did not discuss <input type="checkbox"/>
<b>Comments:</b> The Reflecton was a good discussion of what was occurring in the class and potential impacts on student performance.		

**Developed planned actions to improve or maintain student success in competency**

Identified actions related to results <input checked="" type="checkbox"/>	Actions identified somewhat related to results <input type="checkbox"/>	Actions did not relate to results or were not present <input type="checkbox"/>
<b>Comments:</b> Planned actions section provided an interesting discussion about what is occurring in the course.		

**Overall Comments**

This was a good discussion of what is occurring in the course and the impact on student performance in the General Education competency areas. The increase in course size appears to provide a major challenge.

**Reviewer's Recommendation:**

Accept as submitted, no recommendation

Requesting clarification - Just provide an update on the planned actions. For example, the reflection mentioned that changing the portfolio or the number of times students will read each others stories are potential actions.
