MONTGOMERY COLLEGE
Office of the Senior Vice President for Student Affairs

September 30, 2016

MEMORANDUM

To: Student Affairs Division
From: Dr. Monica R.M. Brown, Senior Vice President for Student Affairs
Subject: Student Affairs Master Plan

This semester we will continue the work begun four years ago by creating a Student Affairs Master Plan. The cornerstone of this plan is Montgomery College's 7 Truths of the Common Student Experience. The 7 Truths were developed by faculty, staff, administrators and students to serve as a model for how we can provide a successful student experience from the first connection with the College through the completion of a student's desired goals. The Student Affairs Master Plan will also be guided by the 2012 restructuring of the branches of our division – Access, Success, Engagement, and Student Support Initiatives.

Dr. Melissa Gregory, Associate Sr. Vice President for Student Affairs, will lead the Student Affairs Master Plan (StAMP) workgroup. A collegewide team of faculty, staff, administrators and students (listed below) will review the current presentation of the 7 Truths of the Common Student Experience with an eye towards refreshing its goals and definitions. The team will enhance current initiatives and develop new innovations to take the Student Affairs Division through the next five years.

A draft of the plan will be presented to our division and to collegewide governance groups for feedback before review by senior leadership. Our goal is to complete a final draft of the master plan by December 2016.

If you have questions about the master plan process, please contact Dr. Gregory at melissa.gregory@montgomerycollege.edu. Thank you for your support of this effort to create a Student Affairs Master Plan for the future.
