FAQs (Frequently Asked Questions)

Can I take your classes if I don’t know any English at all?
If you have never studied English and cannot speak or write at all, you should first take Adult ESOL classes at Montgomery College. Please visit www.montgomerycollege.edu/wdce/aelg for more information.

Do I need to register for the (ESLA) test?
No. If you show up on the published day at the time of the test, we will test you as long as we have enough room. We will test on a first come-first served basis, so it is a good idea to arrive a bit early.

Does it cost anything to take the test?
No. The test is free.

What will I be tested on?
The test has four parts: grammar, vocabulary, reading, and writing.

Will I receive my test results immediately?
No. You will come back for an appointment with a counselor who will give you your test results as well as an oral interview. We will also discuss options for classes with you. You should bring your visa information and payment to the counseling appointment if you would like to register for a class at that time.

What do I do if I missed all the testing dates?
You can contact the APPE (ESL) Placement Office. Depending on the time frame, we will either test you individually or advise you to come for the next testing dates.

How long are the test results valid?
They are valid for two years. However, if you think your English language level has changed, you should discuss this with a counselor.

Is the ESLA the same as the ESL Accuplacer?
No. The ESLA test is only for placement into the APPE (ESL) program in WD&CE. The ESL Accuplacer is for placement into the American English Language Program (AELP).

If I took the ESL Accuplacer, do I need to take the ESLA test?
No. You can bring your results to the APPE placement office, and we will help you.

When should I register for classes?
You should register two weeks before classes start so that you get the class you want.

How long will it take to finish the APPE (ESL) program?
There is no simple answer to this question. The answer depends on your English language background and your personal goals.

My FAFSA application was approved. Can I use it?
No. Unfortunately, you cannot use financial aid to pay for our program.
